'JOHNNY' REIFF SUSPENDED BY FRENCH JOCKEY CLUB.

Little American Jockey Set Down for a Month For Alleged Assault on Another Rider.

PARIS, July 4.—Johnny Reiff, the great American jockey, who has been riding with success in this country this year, has got himself in trouble. He has been suspended by the stewards of the Jockey Club for one month for striking another jockey at the Rouen races.

HANDLER AND SEEGER FIGHT A DRAW.

Men Slug Each Other for Twenty Rounds with Honors Even—Stone Quickly Knocks Out Eberhardt.

Joe Handler, the welter-weight fighter, of Newark, and Charles Seeger, of Hoboken, the ex-sparring partner of "Young Corbett," fought a twenty-round bout before the Paterson A. C. in Turn Hall, Paterson, N. J., last night which was declared a draw by Referee Jim Gibbons. Handler fought a poorer battle than any he has put up in some time and Seeger lost many chances to put him to sleep by his bad judgment. For the first twelve rounds Seeger had all the better of the fighting, pouncing Handler severely on the ribs and jaw and flooring him once in the third round with a stiff right-hand swing on the jaw. After the twelfth round Handler began to fight Seeger on the body and several times had the latter very tired. In the last five rounds both fought fast and furiously, but as they were fresh and unmarked at the finish Referee Gibbons called the bout a draw. In the first preliminary bout Joe Laurel, of Newark, defeated Joe Harris, of Philadelphia, in the second round of their ten-round bout. Harris was the crack bantam-weight fighter of the Atlantic A. C., met "Young Eberhardt," of Jersey City, in the second round and finished him quickly in the first round. At the sound of the bell Stone rushed at Eberhardt and sent him sprawling on his back and jaw. After weakening Eberhardt with these blows Stone suddenly shot in short right over Eberhardt's head and he dropped to the floor and was counted out. Stone was declared the winner. Time of round, two minutes.

THE WHEEL AGAIN FOR WELSH MIDGET

Jimmy Michael, Unsuccessful as Jockey in France, Will Return Here to Follow Pace, Lawson Says.

Iver Lawson, the crack bicycle rider, who returned from abroad recently, is authority for the announcement that Jimmy Michael, the champion pace follower, has decided to return to this country again and resume riding behind the motor. According to Lawson, who was one of Michael's team mates, the little "Welsh midget" is tired of being a jockey in Paris and has declared his intention of returning to this country in the fall and engaging in long bicycle contests. Michael has been treated unfairly by the Parisian trainers in regard to choice mounts, which is responsible for his making the declaration that he will once again pit the silent steed.

PUGILISM.

"Young Peter Jackson," the colored welter-weight, who is in California at present with Joe Gans, has been matched to fight Billy Woods, the California fighter, for twenty rounds before the Century A. C. of Los Angeles, on July 22. Jackson will be assisted in his training for the fight by Gans and Herman Miller, the Baltimore fighter.

Joe Handler, the Newark welter-weight, who fought Charles Seeger a draw last night, and Eddie Clark, the South Brooklyn light-weight, were matched last night by Jim Gibbons to try conclusions in a twenty-round bout at the Paterson A. C. on next Thursday night. Joe Humphreys, who is manager for Cain, says he can get backing for his man to the extent of \$500 to beat Handler.

Jimmy Handler, who assisted "Young Corbett" in getting into condition for his battle with Dave Sullivan, was not allowed to take place in St. Louis, has two fights on at present. He is matched to box Andy Stevenson before the St. Louis Rowing Club on next Thursday night for twenty rounds. He will be turned over to some charitable institution in St. Louis.

After having refused to fight Joe Gans, the light-weight champion, Kate Turner, the colored fighter of Stockton, Cal., finally consented to tackle Gans and the pair have been signed to fight in a twenty-round bout before the Century A. C. of Los Angeles, Cal., the latter part of this month. They will battle at 135 pounds.

The receipts of the Gans-Madden fight in San Francisco amounted to \$2,800. Matchmaker Morris Levi, of the club, holds the money pending an investigation into the fight, which he seems to think was a pure race. If the fight is found guilty of having faked it the money they were to have received will be turned over to some charitable institution in San Francisco.

Tom Tracey, the Australian welter-weight, who defeated Luke Feneis, the ex-welter-weight champion, in a twenty-round bout at Portland, Ore., a few months ago, has been matched for a fight with Mike Donovan, the crack California fighter, for twenty rounds before the club offering the largest purse. Tracey is also anxious to fight Joe Gans at 145 pounds.

At Hartford, manager of "Young Peter Jackson," is confident his black protégé can beat "Philadelphia Jack" O'Brien in ten rounds, and has announced that O'Brien will be his opponent. "Philadelphia Jack" Jackson can be the best of "Philadelphia Jack" O'Brien, but he will be a long time to come.

Her speed is 18 knots and she is a luxurious fitted. On the main deck are the drawing-room, dining-room and saloon.

HOW IS THIS FOR ALL-STAR CAST?

McCoy, Bald and "Skeets" Martin to Figure in Play Next Season, Cincinnati Story Says.

Kid McCoy, Eddie Bald and "Skeets" Martin are going to turn a store next season, if the story from Cincinnati can be believed. McCoy is to figure in a play as a racing chauffeur, Bald as a champion cyclist and Martin as he is in real life—a jockey. Montgomery Plister, of Cincinnati, it is said, has undertaken the task of supplying the trio with speaking parts. The play he is to write will deal largely with an automobile, a bicycle and a horse. John H. Havlin, who, with E. D. Starr and others, controls a circuit of popular price theatres, has been asked to assume the management of Messrs. McCoy, Bald and Martin. A gentleman from Saratoga is quite willing to furnish the money to back the venture. McCoy is on the ocean bound for Europe. This is another of his mysterious trips. Before sailing he said he was going to take a month's automobile trip in France and participate in auto races there. Maybe he will get some ideas for the play, eh? Both McCoy and Bald have appeared at the head of theatrical companies. McCoy was featured in Major Duncan H. Harrison's production of "The Pot of Gold" at the Casino, a few years ago. He was not required to speak many lines, his part being a performance being largely confined to a sparring contest with "Doc" Payne. Bald starred in a piece called "A Twig of Laurel" for the greater part of a season.

DAVE SULLIVAN TO FIGHT ATTELL.

Matched to Meet in Fifteen-Round Bout at St. Louis Next Thursday Night—No Purse Offered.

(Special to The Evening World.) ST. LOUIS, July 4.—Dave Sullivan, who was to have fought Young Corbett at the West End Club here last night, has been matched with Abe Attell for a fifteen-round bout in this city next Thursday night. President Houghton, of the West End Club, in order to comply with the law, has offered no purse and announced that the club members only will be allowed to witness the mill. There are 3,000 members.

HORTON AFTER RECORD.

Five Intercollegiate Champions to Compete in Knights' Games.

D. S. Horton, the intercollegiate champion pole vaulter, who on May 31 made a new intercollegiate record for the pole vault, has notified the committee that he will positively take part in the Knights' of Columbus games to-morrow at Celtic Park. Horton had intended to compete at the Knights' games June 21 but his preparations for the examinations interfered. No sooner had he heard that the games were postponed than he immediately started to get in trim, and now of 11 feet 10 1/2 inches he vaulted over 13 feet 10 1/2 inches. Horton, formerly of Yale, said that he will be the champion of the games. He has been in the opinion of those who have seen him in practice. Horton broke the 11 ft. intercollegiate champion who is entered in these games, the other four being W. J. Holland, of Georgetown; the quarter-mile runner, G. Beck, of Yale; and N. Y. A. C. the short-runner, A. C. Brown, of the University of Michigan, and last but not least, John R. Whitt, of Princeton, the hammer champion and record holder.
